Authorized
by:

10th July 2024

Special statement:

1. This authorization only indicates that the authorized party is our company's agent in a specific project. The specific rights and obligations and the legal relationship between the parties shall be subject to the relevant contracts signed.
2. During the validity period of the authorization, if the authorized agent has one of the following acts, our company will cancel and withdraw its authorized dealer qualification at any time with immediate effect, and the authorized dealer shall bear the losses and liabilities caused thereby:
 - 1) Use the name of our company to engage in illegal or illegal activities;
 - 2) Use the name of our company to engage in unauthorized activities;
 - 3) Make promises without authorization in the name of our company;
 - 4) Unauthorized use of our company's trade name or trademark;
 - 5) Acts that damage the goodwill, brand or market image of our company;
 - 6) In case of unfair competition;
 - 7) Any violation to our company's intellectual property rights;
 - 8) Other acts that damage the interests of our company.
3. This authorization is only used to open up the market to provide qualification certificates and shall not be used for other purposes, otherwise it will be invalid immediately.
4. This authorization can only take effect if it is stamped with an official seal, and it will automatically become invalid after the expiration date.
5. The final interpretation right of this authorization belongs to our company.
